

Sunset Series
Wednesdays, April 17 – September 4, 2024
Marina del Rey, California

NOTICE TO COMPETITORS #3
August 7, 2024

This Notice applies to Sunset Series Race #17, scheduled for August 7, 2024.

It is highly likely that we will need to run the starts for tonight's races from a CYC markset boat which is much smaller and lower to the water than our regular RC vessel. Look for a 22-foot RIB with blue tube covers at the starboard end of the starting line (instead of the *Charles Hathaway*). If circumstances change, we will let you know before the first warning.

The finishing line is unchanged.
